Statement by the Executive Board of FJH AG

It was brought to the attention of the Executive Board of FJH AG that an anonymous charge has been presented to the Public Attorney's Office Munich. Contents of the notice are not known at present. We assigned a well renowned law firm to get details at the Public Attorney's Office.

Should the allegation – like today in part of the press reported – deal with manipulation of the balance sheet, we are repudiating this decidedly. In the view of the Executive Board of FJH AG there is no basis for such reproaches.
